WHY CHOOSE SNOWAVE?

OUR MISSION

Not all ski trips are created equal. At Snowave, we design purpose-driven school programmes that combine outdoor education, sport and personal growth. We're a UK-based company with over 10 years of experience working with schools across Europe. Our trips take place in safe, carefully selected resorts in the Italian Alps, perfect for young skiers and first-time groups.

WHAT MAKES US DIFFERENT?

Purpose-driven travel. Every programme is built to help students grow, physically, mentally and socially, through real-world challenges and group dynamics.

UK standards, Italian warmth, DBS-checked instructors, full risk assessments, and 24/7 support, all delivered with Italian hospitality and a genuine passion for education.

Ski with meaning. More than just lessons on the slopes: our trips include workshops, environmental activities and team games that make the experience unforgettable.

Sustainable by design. We offset 100% of carbon emissions per trip and include eco-conscious practices in our daily activities, from travel to souvenirs.

Built for schools. We work with teachers to tailor each programme to age group, learning goals and school ethos. Planning support, parent briefings and pre-departure packs are all included.

OUR DESTINATIONS

FREQUENTLY ASKED QUESTIONS (FAQ)

EVERYTHING PARENTS AND TEACHERS NEED TO KNOW

Q: What if my child has never skied before?

No problem! Most of our groups include first-time skiers. Our ski schools have dedicated beginner areas and instructors trained to support young learners.

Q: Are the instructors DBS-checked?

Yes. All instructors and Snowave staff working with UK schools undergo enhanced DBS checks and child safeguarding training.

Q: What if my child has dietary requirements?

We cater for all needs, including vegetarian, vegan, halal and allergen-specific diets. Please inform us in advance to prepare the best options.

Q: What happens if a student gets injured or unwell?

We always have trained Snowave staff on site 24/7. All students are covered by comprehensive travel and medical insurance, and parents will be notified immediately if needed.

Q: What is the payment process?

A deposit secures your spot, followed by a schedule of staged payments. Full details are provided upon booking.

Q: Can parents contact the group during the trip?

Yes. Teachers or Snowave staff will provide an emergency contact and send updates via your school's communication system or WhatsApp group (if agreed).
